NATIONAL EGG MARKET AT-A-GLANCE

Prices remained unchanged. The market tone was steady. Demand was mixed, light to occasionally good, mostly moderate, and was best where feature activity was either planned or in progress. Supplies of the larger sizes were usually adequate to close, and the medium and smaller sizes ranged balanced to at times available. On the West Coast, supplies remained closely balanced to short. Breaking stock supplies were about adequate from regular sources, and demand for additional product was mostly light. Light type fowl for this week were reported as generally sufficient, but next week's offerings were less than normal.

NORTH ATLANTIC Prices continued unchanged in all areas. The market tone was steady. Demand was light to good, mostly moderate. Offerings ranged from adequate to close on all sizes. Breaking stock supplies from regular sources were usually adequate for the very light demand. Light type hens were generally sufficient for current week slaughter, however, offerings for next week were less than normal.

NEW YORK Prices were unchanged. Trade sentiment was steady. Demand was light to good, mostly light to moderate, best where retail items were in progress or planned for next week. Supplies were adequate to close on all sizes.

MIDWEST Prices were all unchanged from Tuesday's reported prices. Trade sentiment was steady. Retail and food service demand was fair to good with the best movement into features planned for next week. Supplies were in good balance for the large sizes and adequate to instances available for medium and small. Central States nest run breaking stock prices were unchanged from Tuesday's reported prices. Most breakers were observing the market and were reluctant to purchase product above the quoted range. Lighter weight product becoming more available. Offerings were adequate. Floor stocks in good balance. Trade sentiment was steady.

CHICAGO Prices unchanged. The trade sentiment fully steady. Retail and food service demand moderate to good, best where limited features are a factor. Supplies adequate to close.

SOUTHERN Prices remained unchanged. The market tone was generally steady. Demand ranged moderate to occasionally good, best for the scattered feature interest. Supplies ranged about adequate to well balanced. Asking prices for next week's deliveries were ranging unchanged to higher than the current week. Breaking stock offerings were usually adequate from regular sources, and demand for additional product was often light. Light type fowl were generally sufficient for current week slaughter, however, next week's offerings were less than normal.

WEST COAST Prices unchanged. Asking prices for next week in California 2 cents higher on jumbo, 3 cents higher on extra large, 4 cents higher on large, and unchanged on medium and small; in the Northwest unchanged on all sizes. Retailer demand only fair overall. Offerings in close balance to short.
